COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Dear Sir:

While the language in the Statement of Reasons for Allowance for claims 1, 11, 16, 21, and 25 is found in claim 1, it is not found in all of the independent claims. It is understood that the independent claims in which the language from the Statement of Reasons for Allowance is not found are allowable for other reasons which the Examiner did not take the time to articulate. Furthermore, all the language in the Statement of Reasons for Allowance for claims 6 and 30 is not found in independent claims 6 and 30. Applicant believes the Examiner inadvertently used claim language from claim 1 instead of the claim language from claims 6 and 30, which reads establishing a secure session between a first network element and a second network element using data generated by performing the set of primitive security operations. The Applicant notes that the Examiner's various comments should not be used to read non-existent limitations into the claims.

If there are any additional charges, please charge Deposit Account No. 02-2666.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
